

**LOCAL COMMUNITY INVITED TO MEETING TO CONSIDER POSSIBLE FUTURE OF
TEDDINGTON MEMORIAL HOSPITAL**

The League of Friends of Teddington Memorial Hospital and the General Practitioners from the surrounding locations, are inviting the community to attend a public meeting to discuss the possible future of Teddington Memorial Hospital. The meeting is to be held on Thursday 10 November 2011 at Teddington Baptist Church, Church Road, Teddington.

The meeting is being called due to concerns about the future of the Memorial Hospital, which has been a cornerstone of Teddington community since it was opened in 1928, providing local health services. The hospital is now under ownership of Hounslow and Richmond Community Healthcare NHS Trust.

The League of Friends of Teddington Memorial Hospital and the local General Practitioners have growing concerns about the future of the hospital and have called the meeting to share these issues. The meeting will also provide a valuable opportunity to explore alternative ways the hospital could become viable and sustainable for forthcoming generations, as well as allow the public to voice their views on the future of the community's hospital.
