## **27 Holmesdale Road (off Kingston Road), Mel & Bob Ellis**

The garden was redesigned two years ago around the established trees and large shrubs were put in place to give high impact and maturity. It is an ongoing project and new plants are gradually being introduced to give interest and more colour. As you walk round the garden you will discover hidden areas on different levels, creating a secret garden within the main garden.

## **46 Cromwell Road (off Kingston Road), Sarah & Steve Whiting**

**Refreshments/Plants for sale**

Appleby is set in a large walled garden 50 yards off the road behind 44 Cromwell Road. With a lot of hard work, the magic is slowly returning to the garden after many years of neglect. It has two formal ponds, cottage style herbaceous borders, and a kitchen garden with fruit and vegetables. Plants and refreshments will be available for sale.

## **40 Udney Park Road (off High Street), Shirley Meaker**

**Bric-a-brac for sale**

I have been here for 46 years so there have been many changes, from all grass initially to jungle now. Two wells have been installed to beat the current hosepipe ban.

## **80 Railway Road (off Church Road near Tear Fund), Ann & Jeff Brown**

Ours is a very small garden but that doesn't stop us from trying to fill it with all the things you would find in a larger one. We have a pond with Koi Carp, a small patio covered in pots and a wide variety of new and established plants.

## **Elleray Hall Social Club Garden, Elleray Rd (off Broad Street)**

**Refreshments**

This is a delightful secluded garden featuring a lawned area, container planting and raised bed with water feature plus a magnificent mosaic, all maintained by elderly volunteers and funded by charitable donations. Refreshments and homemade cakes will be available.

## **The White Bungalow, 23A Hampton Road, Diane Ward (near Teddington Hospital)**

**Refreshments/Plants for sale**

Following the death of her father earlier this year, Diane is opening the garden for the last time before the bungalow is sold. The front garden has won several Richmond in Bloom awards for its floral displays. Everyone is welcome to come and enjoy tea in the rear garden. Plants and pots will be on sale with all proceeds going to the Royal British Legion.
