

# Teddington Street Party Duo Strike Again for the Queen's Diamond Jubilee!

**Teddington mums Sarah Allen and Emma Lawrence** get ready to host their second street party for the Queen's Diamond Jubilee following the stomping success of their first street party to celebrate the Royal Wedding last year.

Sarah and Emma have been working on the preparations for this year's street party (taking place Sunday 3rd June, 2-6pm) since March and have been astounded by the support from their neighbours and local businesses alike. Over 160 residents have RSVP'd to the street party.

## All for a Good Cause

**20 local businesses** in Teddington have so far **donated prizes to the charitable raffle** to be held at their street party including:

*Bar Estillo, Cakes by Trudie, COOK, Elements, Kitchen Sync, Marks & Spencer, Mercardo, MiniMe, PlanB Fitness Camp, Play Inside Out, Red Peppers, Shambles, SimplyMe, Spa Nails, Starbucks, Studio 148, Teds, The Builders Arms, The Happy Potter, TLC Family and Waterstones.*

Like last year, Sarah and Emma wanted a local charitable cause to benefit from the street party festivities. The street planning committee decided that **local homelessness charity SPEAR** based in Twickenham would be this year's chosen charity.

**Kerry Thomas, Community Fundraiser at SPEAR** says: *"In our 25<sup>th</sup> year, SPEAR is delighted that the local community is using events to help our work with people experiencing homelessness across the borough. We hope everyone attending the street party has a lovely time and would like to thank you all for your support."*
