# Bubbly Tea Party in aid of Breast Cancer & Burma Children's Fund

**Vidatherapy & Vidahair presents a Hair & Makeover Fashion Show.**

You will view our latest Autumn Winter styling trends, from our team of creative artists.

**October is Breast Cancer Awareness month.** Vidatherapy & Vidahair have supported the Breast Cancer Care charity for the last four years. The charity believes that up-to-date information, based on clinical evidence, builds confidence and helps people take control of their health. **Aveda** also donates £2 from the sale of their special edition Pink Ribbon hand cream to Breast Cancer.

**Vidatherapy is raising funds to build a 'Vida Clinic' in a deprived area of Burma,** supporting a village, whose children have no access to healthcare. Just £5,000 will build the clinic. We will continue to support the project through training and education, to help the children of Burma.

With guest speakers Colin & Johni Van Orten, Trustees of the Burma Children's Fund.

Complimentary cupcakes and tea generously provided by the Park Hotel,  
Cakes by Trudi and Lou's Kitchen. Styling by LBN Interiors.
