It has risen and reinvented itself innumerable times from chaos and apparent ruin. Berlin Unwrapped captures the unique essence of Berlin. In it you will discover the most authentic local haunts, the facts behind the historic façades and the best in culture and entertainment. There are special chapters on Jewish Berlin, Hitler's Berlin, Divided Berlin and the Berlin Wall, as well as useful information on how to get around and what to do when you get there - morning, noon and night.

**PENNY CROUCHER** lived in Berlin for several years and developed a lasting passion for the city. This guide book offers a wealth of recommendations and insider tips both on and off the tourist track.
