

Public Meeting

6-9pm, 11 December, Sacred
Heart Catholic Church, 262
Kingston Road, Teddington, TW11
9JQ.

Join The *Ham Hydro* Directors for an informal drop-in evening on the latest development of the Teddington Weir hydro proposal.

Teddington & Ham Hydro, is an exciting community project which will provide energy by hydroelectricity for up to 600 homes. It will be one of the first of its kind in London.

It promises to be a very informative evening where the project team will be on hand to answer any questions that you may have. You will be able to obtain details on:

- The scheme to be delivered
- Its look and feel
- The benefits to you and the community
- How you can sign up to receive the profits it will deliver

Refreshments (and maybe even biscuits!) will be provided. Everyone is welcome, but please RSVP at info@hamhydro.org so that that we have an idea of numbers.
