

TEDDINGTON JAZZ FESTIVAL

at The Wharf Bar & Grill

SATURDAY
18th MAY 2024

11am – 11pm

A celebration of the melting pot of Jazz, Soul and Blues styles, featuring International Artists alongside locally-based musicians in an intimate riverside setting.

With styles ranging from Gypsy Jazz with a contemporary twist (Oriana and The Charmers), to Latin (Andalus), to straight ahead modern Jazz (Matt Wates Quartet), via classic swing (Tracy Ray) and timeless New Orleans Rhythm and Blues and Jazz (The Cosimo Matassa Project), here's the opportunity to experience warm, up close and personal performances from a broad range of artists and genres in the intimate and relaxed setting of The Wharf Restaurant.
